

Co2 Project

Issue Date: 2 October 2009

Hello,

As promised, here I am again with further information on progress of the project. In this edition, I have information on the agreed manufacturer codes to be used on the new style V55/1.

I hope you find this a useful means of communication. Please let me know if there is anything that you would like me to include in future editions.

Lisa

COMMUNICATIONS

- The agreed test stationery of V55/1 was received from printer on Monday 28th September 2009. The stationery was sent by courier to Trade Associations (SMMT, MCIA and AEA) for distribution to their members.
- To assist with the internal testing, a request has been made to SMMT for some test forms to be returned to DVLA by 26th October 2009, if not sooner.
- AFRL Web Vault Vehicle Supplier Specification Document (Version 9d) issued 30th September 2009.

LATEST INFORMATION UPDATE

- The 'suitability and layout' of the V55/1 will be tested and signed-off by DVLA on 9th October 2009. If your tests identify any issues before this date, please contact me.
- The order for 'live' stationery will be made to the printer by 14th October 2009.
- It is expected that from 16th November 2009, confidence testing will be possible. However, this information will be confirmed at the First Registration User Group meeting on 14th October 2009.
- The V55/2 test stationery has also been ordered and delivery is expected by Friday 9th October 2009.

Co2 Project
