Certification Body Changes

Acquisitions

- **DQS and UL**
- **TUEV SUED Management and PSB**
- **SAI Global and CERTO**
- **DEKRA and KEMA Quality**

The certification bodies are currently still operating as individual certification bodies, however by March 2010 they will only be allowed to operate as a single IATF recognised certification body. This will result a reduction to 47 IATF recognised certification bodies by end March 2010
