

## Automotive Market Visit to Poland 1 – 3 October 2019

### OEM production plants

The Society of Motor Manufacturers and Traders (SMMT) and Santander Corporate & Commercial are taking a delegation of UK suppliers to Poland to explore the opportunities in the region. The visit will include B2B meetings, factory visits and market briefings and will focus on the following:

- **Aftermarket and spare parts**  
Including electric vehicles and their impact on component manufacturing
- **R&D**  
Focusing on batteries, electronics, new technologies
- **Bus manufacturing**  
Major production plants are already located there – Solaris, Scania & Ursus
- **Electro mobility**  
Green transport – public transport, education and exchange of knowledge

**Criteria**

The market visit is tailored for UK companies that meet the following criteria:

- UK based supplier with a UK company registration number
- Suppliers with a turnover between £6.5m - £500m
- Supplier in at least one of the following categories:  
Aftermarket and spare parts; R&D; bus manufacturing and/or electro mobility

A nominal fee (TBC) will be charged once the company has confirmed their participation in the market visit but **registering your expression of interest below is free of charge**. Hotels, flights and subsistence are not covered.

If you do not meet the criteria you are welcome to join however it is advisable to have a bespoke visit adapted for your needs at an extra cost.

SMMT and Santander reserve the right to accept or reject applications.

**Next steps**

Please submit your expression of interest by filling out the form below.
