

Browne Jacobson is a widely recognised as a national powerhouse with a broad international reach. Through our close working relationships with leading lawyers in other jurisdictions, we provide our UK clients with overseas interests and international clients access to high quality, specialist legal advice efficiently at good value for money. We are delighted to offer our services as part of the SMMT International Advisory Network.

**Top-tier
full service
team**

Our top-tier specialists advise on a broad range of areas including commercial contracts, competition, corporate finance, data protection, dispute and litigation, employment, insurance, IP, regulatory and real estate.

**A complete
global
solution**

We are one of the founders of the global network of lawyers, Pangea Net and maintain strong relationships with Pangea Net members and other leading firms whom we have identified as being the best in their markets.

**Certainty
on fees**

Our Instant Gateway product which provides bespoke packages tailored to clients' needs provides clients with certainty on fees and avoids the need to agree engagement terms and fees for each piece of work.

**In-house
experience**

Our legal expertise is backed by industry experience. Many of our team have worked in-house or being on extended secondment to major corporations (including those in the automotive sector).

**Automotive
sector
experts**

We are automotive sector experts and have advised global businesses such as Aston Martin, Volvo Trucks, Renault Trucks, LDV, LEVC, Lotus and also renowned suppliers including Unipart and Goodyear Dunlop.

**Added
value
services**

We are fully committed to our client partnerships. Our clients have access to a wide range of value added services e.g. legal update bulletins and on-demand videos, ad hoc helpline/advice and bespoke training sessions.
