DBT Midlands: Future Mobility Trade Mission to Türkiye Istanbul, The Republic of Türkiye

6 - 8 March 2024

The Department for Business and Trade (DBT) is delighted to invite businesses from across the Midlands to submit an expression of interest to participate in a trade mission to the Republic of Türkiye (formerly Turkey). The programme is designed for export-ready companies who operate in automotive and future mobility sectors and will be the second of its kind following the successful mission in February 2023.

Why should you join this trade mission?

Pre-mission activities will include:

- Virtual pre-visit briefing to prepare your business for the mission
- Feature in the trade mission e-brochure
- Introduction to the local DBT team in Türkiye who will be able to provide an overview of current opportunities

In-market activities:

- Pitching session to showcase your products and services to a large audience including OEMs, suppliers, technology companies, and business associations in Türkiye
- B2B meetings with potential buyers
- Site visit to an OEM facility

Join our UK Trade Mission:

Places on this trade mission are limited. Please use the link below to view further information or to express your interest in joining us today, free and without obligation.

Registration closes on the 19th of January 2024.

Registration of interest: bit.ly/DBT-future-mobility-Turkiye2024
