Direct and indirect demand list	We can manufacture in the UK (Y)	We offer services from the UK (Y)
1. Body & Powertrain		
1.1 Powertrain		
None		
1.2 Body		
Badges		
Fuel filler cap (petrol & diesel)		
Latches		
1.3 Chassis, braking, steering & suspension		
Alloy Wheels / Finish Wheels		
Clutch pedal Assembly (non plastic, non modular)		
Stampings and pressings for clutch applications		
Springs - coil and torsion springs		
Organic facings/friction material (friction pads for passenger and tractor clutch)		
2. Interior & Exterior		
2.1 Interior		
Carpets		
Clip (trim)		
Cover stock: PVC material, expanded polypropylene		
Door trim		
Instrument panel: dials		
Instrument panel: light guides		
Instrument panels		
Interior trim: NVH felt		
Interior trims (door, sun visors etc)		
IP Moulding (not just final assembly)		
Seat components (L2 parts fabric, foam pads, headrests etc)		
2.2 Exterior		
Bumper parts		
External lighting		
Large external mouldings (mirrors, bumpers etc)		
3. Electrical & Electronics		
3.1 Electrical		
PCB assemblies		
3.2 Electronics		
None		
4. Low Carbon/Hybrid/EV		
Magnet		
5. Processes and tooling		
Fine blanking process (for fuel opener)		
Injection (for fuel opener, DL protector)		
Aluminium pressing & assembly		
Assembly - mouldings with mechanical parts		
Assembly - small pressings/brackets		
Automotive fabric cutters		
Bending process (for DL rod)		
Blow moulding		
Castings: Iron		
Chrome plate on zinc die casting		
Chroming		
Chroming plastic mouldings		
Cold formed tube nuts

Extrusioned parts		
Forged parts		
Injection moulding (plastic) single shot (50T to 400T)		
Injection mouldings: Plastic		
Injection mouldings: Plastic and Painted		
Injection mouldings: PVD coated		
Machined parts		
Machining		
Plastic moulding		
Rolled bar		
Rubber Moulding		
Small turned fittings (tube nuts)		
Spring forming (for fuel opener)		
Stainless steel cosmetic finishers (pressings)		
Stampings: Medium to small		
Tool design and manufacture (injection moulding)		
Tool design: Press tools		
Vacuum forming		
6. Other components / services		
Cold formed rivets and bolts		
Cold formed tube nuts		
Expandable sealer		
Plastic caps		
Plastic injection moulded clips		
Rubber cushions		
Rubber hoses		
Semi-standard eyebolts		
Small turned fittings (tube nuts)		
Staples and stapling system suppliers		
7. Indirect services		
Abrasives and cutters for steel		
ATL Advertising		
Blades (re sharpening)		
BLT & CRM Digital services		
Call Centres		
Cardboard packaging		
Conferences		
Consultancy		
Database Management		
Dealer Training		
Demonstration Vehicles		
Events		
HR Services & Support		
Incentives		
IT Services & Support		
Logistics provision for Vehicle Distribution		
Marketing Communications		
Marketing Services		
Mystery Shopping		
Office supplies		
Packaging for finished parts		
Point of Sale		
Press & PR		
Print Management		
Product Launches		
Roadside Assistance		
Safety and Environmental supplies		
Signage and Corporate Branding
