These companies will benefit from the following SMMT services:

**SMMT data services:**

Extensive market data providing key information to assist marketing and promotional activity, and future business opportunities.

**Legal helpline:**

SMMT advisors provide assistance with disputes, contracts, employment issues, health and safety matters and much more.

**Developing business opportunities:**

SMMT's targeted events and Automotive Supplier Finder (ASF) service helps facilitate opportunities by matching buyers to suppliers.

**Production outlook:**

European car and light commercial vehicle production outlook helps plot future vehicle volumes, as well as new and facelift model introductions.

**International business expertise:**

SMMT exhibitions and overseas visits create new business opportunities on top of our excellent database of international sales leads.

**Raising productivity:**

10% discount on standard Industry Forum prices.

**Information:**

SMMT's continual flow of information and analysis reflects the full spectrum of industry issues at home and abroad.

**Technical helpline:**

Get instant advice on new technical standards which will impact on your business.

**Funding and support:**

Expand or modernise your business using SMMT's knowledge of the funding and support systems available.
