

WAYS OF BRINGING ISO/TS 16949 TO THE WIDER COMMUNITY

1. Provide information updates to SMMT members and contacts through:
 - Newsletters
 - Network Groups
 - Manufacturing related SMMT committees
 - Other SMMT communications
2. Promote SMMT ISO/TS 16949 services to other countries:
 - Brazil
 - Egypt
 - India
 - Turkey
3. Promote the commercial advantage of ISO/TS 16949 to UK companies who are not certified. Link in to Odette / Integrated Management Systems – customer specific requirements
4. A follow up to the ISO/TS 16949 'roll out' activity that was carried out in 2002 at Nissan, Honda, Toyota and JLR (initiated by the Quality Panel)
5. Promote ISO/TS 16949 down the supply chain to Tiers 2, 3 etc.
